Karen: I can come right now, get you for earlier appt with Angela? On my way?
me: no, no
me: busy now
Karen: Then, want an earlier appt with Angela/
me: I want to choose my haircut
Karen: But not from those people, do you want to choose someone at culwell?
me: I'm going to walk over to the place, I'll do it later today after the doctor
me: nah, this is something that... that I must do.
me: it's time.
Karen: no, your hair is so pretty, its importat
Karen: just one more time, then i will leave you alone? i promise
